PHILIPPINES

The Ultimate Liveaboard Adventure

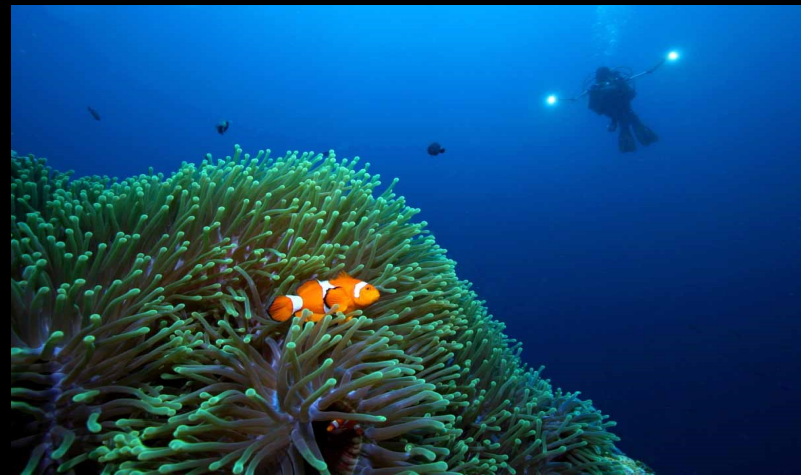

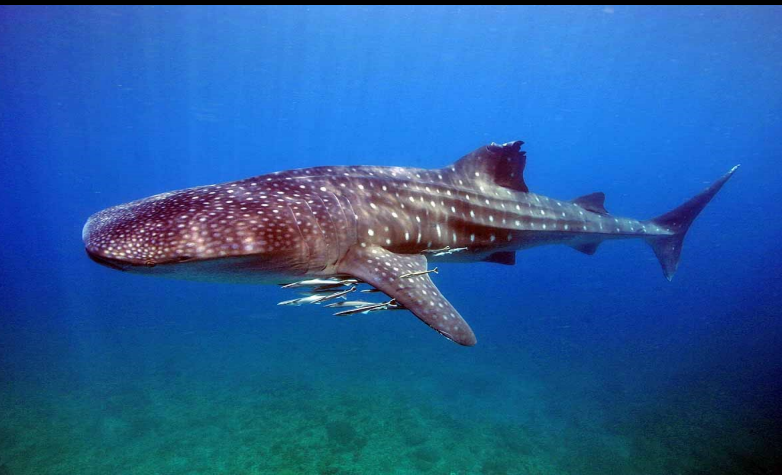

Cruise, Explore & Dive The Philippines Southern Visayas

\$6395

Special Group Departure

06 September - 15 September 2025

Join us on the voyage of a lifetime aboard the beautiful Philippine Siren to the remote and pristine reefs of Southern Philippines .

Here we plan to encounter rare creatures frequently sighted in this area and the Whale Sharks of Oslob that feed from the hands of local fishermen in canoes.

The coral reefs in the Visayas feature large schools of fish and macro life abounds providing world class marine life encounters and unique diving opportunities.

Dive Philippines Aboard THE PHILIPPINE SIREN

The 40m Philippine Siren liveaboard was built on the Indonesian island of Sulawesi and is handcrafted from ironwood and teak (traditional to the area). Welcoming a maximum of 16 guests per cruise ensures that there is ample space to relax. The 8 guest cabins consist of 2 fixed doubles, 4 fixed twins and 2 flexible twin/doubles, all with air-conditioning and private ensuite bathrooms with hot water. The covered outdoor dining area provides a great setting for your meals and dive briefings. The spacious air-conditioned saloon offers a cocktail bar, comfortable seating, charging station and a large flat screen TV.

The dive deck has personal storage space for masks and other small equipment items, and is likely to be one of the most spacious and comfortable you will have come across. Designated areas for charging and preparation of camera and video equipment, as well as separate rinse tanks, make Philippines Siren a top choice for underwater photographers and videographers. The vessel also benefits from 2 high-powered Zodiacs, kayaks, laundry and massage services.
